

POP WARNER
Your Future Begins Here!

Dear Flagler County Pop Warner Football and Cheer Supporter,

The Flagler Youth Athletic Association, Flagler Titans Pop Warner Football and Cheer is a not-for profit group of volunteers dedicated to encourage, support and instill the values of Pop Warner.

Pop Warner was founded in 1929, continues to grow and serves as the only youth football, cheerleading and dance organization that requires its participants to maintain academic standards in order to participate. Pop Warner's commitment to academics is what separates the program from other youth sports around the world.

Since 1929, the Pop Warner Program's Philosophy has been that athletics and scholastics go hand in hand. At every level, Pop Warner programs seek to develop well-rounded young men and women who learn not only the fundamentals of football, cheerleading and dance but also the importance of education in an atmosphere conducive to developing sound character while having a good time.

For the Flagler Titans Pop Warner Football and Cheer to succeed in our community it needs generous people like you. Player registrations are only a fraction of the operating funds needed to ensure a successful season for the youth of our community.

We are asking for your support that will give the kids of Flagler County the opportunity to live the "Pop Warner Experience".

Your generosity helps them experience the "Pop Warner Experience" by:

- Giving a child the chance to participate that might not otherwise be able to participate due to economic hardship.
- The purchase of new equipment, so our children can participate safely.
- Assisting our youth in developing the qualities of teamwork, dedication and a superior work ethic in the classroom and on the playing field.

A donation includes your company or organization's name on the Flagler Titans shirt and a banner displayed at our football field. You will be presented a plaque from the Flagler Titans in appreciation for your continued support. We encourage all sponsors to come out to the football games during the season to be part of the "Pop Warner Experience" first hand.
